Learning Accommodations for Students

Salem International University seeks to provide reasonable accommodation for qualified persons with disabilities. This University adheres to applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodation to individuals with documented disabilities.

Students seeking accommodations must self-identify by contacting the Dr. Debra Harrison, Office of Student Advancement and Success, 304.326.1559 or emailing Debra.Harrison@salemu.edu. Students will be advised of the steps required to document their disability and other procedures to be followed. The student also is required to notify his/her faculty member for each class in a timely fashion to request accommodation.
